

To check your scheduled rides, tap the three lines on the top left to open the menu.

Then tap "Scheduled Rides".

There are 2 views: Calendar view and List view.

They show the exact same things, but in two different ways.

List view will show all of your future trips as a list.

Calendar view will show all of your future trips on a calendar.

As you can see, we have a trip on November 24.

The green circle means that we have 1 approved trip on that day.

If we had 3 green circles, that would mean that we have 3 trips on that day.

As you can see, our trip is from 25 Messenger Drive to the Avalon Mall.

We will depart within the pick up window of 5:50 PM – 6:20 PM.

To cancel a trip, click "Cancel" then "Yes" when asked to confirm.

To edit a trip, click "Edit".

Then you will be able to edit the day or the time of your trip.

To check your past trips, go back to the menu and click "History".
